THREATENED SPECIES

A DEVIL OF A THRILLER

THREATENED SPECIES

Is Professor Harry Ho really using his abilities to save the Tasmanian devil?

Or is he up to something quite different?

Llew Roberts, disgraced journalist, believes he's onto a career-saving story. But who'd believe Llew?

Set in and around the remote, peaceful and beautiful Tasmanian harbour city, Hobart, **THREATENED SPECIES** features a plot that could hurt the whole planet.

And it could really be happening. Right now. Today...

Prize for **FAINE** by John Honey

'The storyline is terrific... Faine is an exhilarating read' *Guyana Press Australian Book Review*

'A rambly, sizzling, full frontal yarn!' *Wanna Review 40 Degrees South*

'For the first time in many years, I have read a book in one sitting, as if once finished, needed for more!' *Steven French Tasmania Life*
